WASHING AND SANITIZING SYSTEMS

BUYER'S GUIDE

Quick. Convenient. Powerful. Economical.

2101 CALUMET ST • CLEARWATER, FL 33765 • (727) 461-3477 • (800) 331-6870 • FAX (727) 449-0029

Cyclone Belt Washer

Wash belts, reduce down time, increase belt life and save water and labor with our patented Cyclone Belt Washer. Designed for maximum cleaning effectiveness, Cyclone's rotating spray head – with speed adjustment – cuts and removes stubborn soils from spiral conveyors, freezing tunnels and oven bands without the use of detergents! A portable cart allows you to move from one belt to another for quick cleanup. An optional high pressure blower is also available to aid in drying.

Designed To Make A Difference.

DOUGLAS MACHINES OFFERS A VERY SPECIAL ALTERNATIVE TO HANDWASHING.

A full line of washing and sanitizing equipment that will save you time and money... increase your productivity... and help you meet today's high standards of cleanliness and sanitation. Each model has been carefully designed and crafted to provide the perfect blend of convenience, performance and durability.

The ideal system for your company depends on the type and quantity of the items to be washed, the type of soil to be removed, the desired wash time, heating options, level of flexibility, space limitations, and budget considerations. Our experienced sales and engineering staff will be glad to help you identify the very best solution for your particular requirements.

Please explore this Buyer's Guide to get a quick overview of our standard offerings. For literature, specifications and pricing on these models or custom designed equipment, call us today at 800-331-6870!
